Cabinet

Marcel Wanders' rare foray into minimal design comes in the elegant form of the wood and glass 'Theca' cabinet. Manufactured by Poliform, its set-up can be customised entirely to suit storage and display needs.

Radiator

The essential modular radiator, 'Rift', designed by Ludovica and Roberto Palomba for Italian company Tubes, comes in a variety of colours that can be combined in a multitude of arrangements to suit any space.

Lamp

The modular design of Antoni Arola's 'Flamingo' lamp for Vibia makes for reconfigurable flexibility.

Bed

Destination beds were officially a thing this year; we chose Piero Lissoni's 'Extrasoft' platform bed for Living Divani, featuring a series of soft volumes to comfortably accommodate welcome bedside visitors.

Bedding

Inspired by its own legendary underwear, Calvin Klein rolled out a collection of jersey bedding that should keep you snug in all the right places.

Acoustic panels

Made from wood sourced from the Småland forest in Sweden, these acoustic panels, designed by Form Us With Love for Baux, are environmentally friendly and recyclable, and come in a variety of patterns and colours.
