### [ITA]

I colori rappresentati su questo formato digitale sono da ritenersi puramente indicativi, in quanto la percezione del colore a video subisce notevoli cambiamenti rispetto al colore originario e per tale ragione non possono in alcun modo costituire un riferimento di corrispondenza esatto. Per la scelta della finitura si consiglia pertanto di consultare una mazzetta colori Tubes in formato cartaceo.

### [ENG]

The colors represented on this digital format are to be considered purely indicative, as the perception of color on the screen undergoes considerable changes compared to the original color and for this reason they cannot in any way constitute an exact correspondence reference. For the choice of the finish it is therefore advisable to consult a Tubes color chart in his paper version.

The image shows a 12x4 grid of text elements. The first 11 rows are identical, displaying the sequence "[3 E] [3 E] [3 E] [3 E]" in a dark gray sans-serif font. The background of the entire grid is black. The last row is distinct, containing the sequence "[3 T U] [3 E S] [3 E]" in a similar dark gray font. The letters are bold and have a slight shadow effect.
